

Dear Irish American Club Families,

With the holidays quickly approaching, St. Patrick's Day Season is just around the corner! As always, the Club will be abuzz with activities, events and festivities. Members young and old are welcome and encouraged to take part in one of the many units the Club has to offer.

Jack McDonough Fife and Drum Corps: Club members of all ages are cordially invited to be a part of the 2016 Jack McDonough Fife and Drum Corps. Learn the basics of the traditional Irish Fife and precision marching, perform at the General Membership Meeting and other Club functions, and march down the Avenue with us on the big day. Last year brought a wealth of a new, young talent and we hope to continue to grow this year too.

East Side Irish American Club Pom Pom Unit: Our littlest and cutest members always put on a great show! Girls as young as 4 delight the Irish American Club crowd year in and year out with an adorably original performance. The Pom Pom Unit is a great way to introduce your child to the Irish American Club and all the joy that comes with it.

Flag Corps: The Flag Corps enters it's fifteenth year with a lot of great ideas. Proudly twirling, spinning and waving their East Side Irish American Club flags down the parade route has become a hallmark of this small, yet motivated group of young ladies. Come on down and give Flag Corps a whirl!! 13 and older please.

Ladies Drill Team: For our more mature Club members, the Ladies Drill Team combines precision drill, innovative maneuvers, hard work and a few pints of Guinness into a wonderfully unique performance. The Ladies Drill Team headlines Irish Coffee Night and always does the East Side proud in the St. Patrick's Day Parade.
