

## 2022 St. Patrick's Day Parade Float

### 2022 IACES First Place Float

Someone once wrote about Ireland and said, "It's the one place on earth that heaven has kissed with melody, mirth, meadow and mist". Along with its breathtaking landscapes, Ireland boasts one of the most unique and picturesque coastlines in the world, from rugged cliffs and crashing waves to quaint villages with quiet bays. We showcased many of these magnificent wonders on this year's float. Beginning with Hook Lighthouse (Ireland's oldest... opened in 1172... and still operating), located on the Hook Peninsula in County Wexford; alongside is the "marvel" that is The Giant's Causeway located in County Antrim; in the center we find those peaceful-living paintings where the beach is a welcome

mat to those quaint and colorful seaside cottages and villages like Cobh, Galway, and Whitehead all nestled within the patchwork of fields and meadows; slowly turning above and creating their own rhythmical dance, we have selected a carousel of some of the most beautiful coastal images of the Emerald Island; and finally, we end our tour with the iconic O'Brien Tower proudly standing atop the mighty Cliffs of Mohr.

How can one small island have such an abundance of coastal treasures one might ask, but we who are Irish already know. If the all-mighty can create such an amazing group of people, why would he not want them to live in the most amazing place on earth?

## BOOK BUZZ

Bonnie Easton

Ready to check out some great selections? In *We Don't Know Ourselves: A Personal History of Modern Ireland*, Irish Times columnist Fintan O'Toole tells the story of how Ireland entered into the booming economy of the modern age in the late 20th century from the impoverished island of the previous era by relating it to his own life experiences.

The Mystic Cove series by Tricia O'Malley is a 12-book romance saga set on the rocky shores of Ireland. *Wild Irish Renegade* (#11) is the tale of Niamh Kearney, the descendant of a witch, with her special ESP powers and her relationship with handsome rugby player William "Mac" MacGregor. Mac needs Niamh to see him as he really is and not just a celebrity written about in gossip columns. #12 in the series will be *Wild Irish Moon* to be released January 10, 2023.

Irish American author Carlene O'Connor offers the eighth volume in her *Irish Village Mystery* series with *Murder on an Irish Farm*. Garda Siobhan O'Sullivan and her fiancé Det. Sgt. Macdara Flannery are preparing for their wedding, but they must postpone their nuptials when the bride's brother discovers a human skeleton at a farmhouse near the church. The body is Tommy Caffrey who stood up Gladys Burns at the altar 50 years ago. Their families point fingers at each other until the discovery of a second body.

*One Night on the Island: A Novel* by Josie Silver features a young man and woman who are both looking for a little alone time to re-energize on an island off the coast of Ireland. Cleo Wilder is a dating columnist from London who discovers her suite has been double-booked with Boston photographer Mack Sullivan. Mack's family owns the lodge where they are staying. He is there to recover from his broken marriage. Begrudgingly, they learn to cohabit when a storm hits and the ferry stops running. Yes, love sneaks up on them unannounced.
